Watching a DVD or using the Microphone in the Paduan Center (AMR)	9-10

Connecting a Laptop

Parish Life Building (PLB) or St. Teresa Center (STC)

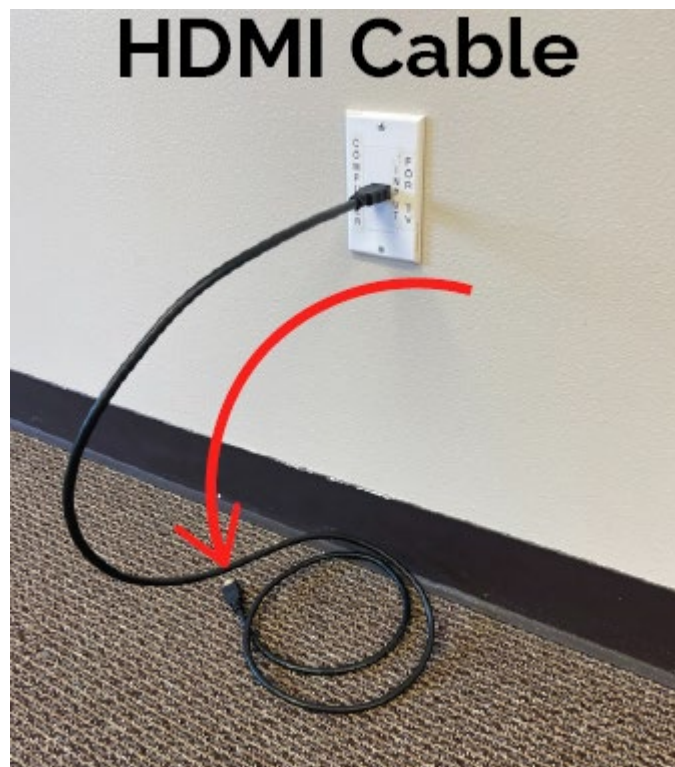

1. Find the remote in each Classroom and press the power button (top left button on each remote):

STC, PLB 202, 203, 204, 209 Remote

PLB 205 Remote.....

2. Connect the HDMI cable (red, pink or black) located on the chalk rail or in the podium, into the HDMI port on the wall

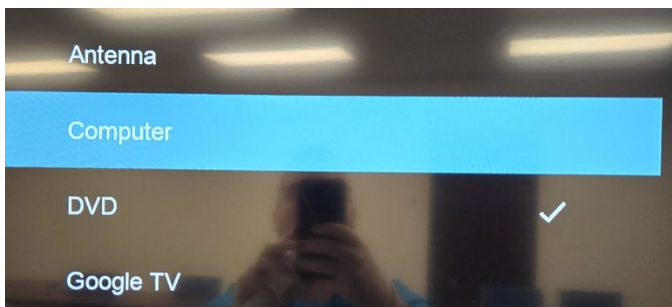

3. Connect the other end of the HDMI cable into your computer**

*******Your computer must have the ability to connect to an HDMI cable to provide picture and sound to the monitor in each classroom. Please check with your computer's manufacturer to see if your computer requires an adapter, and if so, which adapter will work best for your computer's specific model.*

4. Press the Input Button (top right) on the remote repeatedly until "Computer" is selected (blue)

After a short pause the input will switch

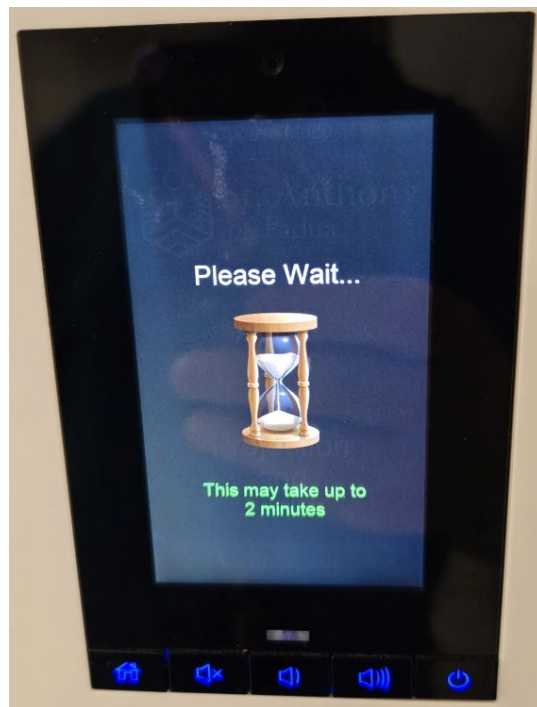

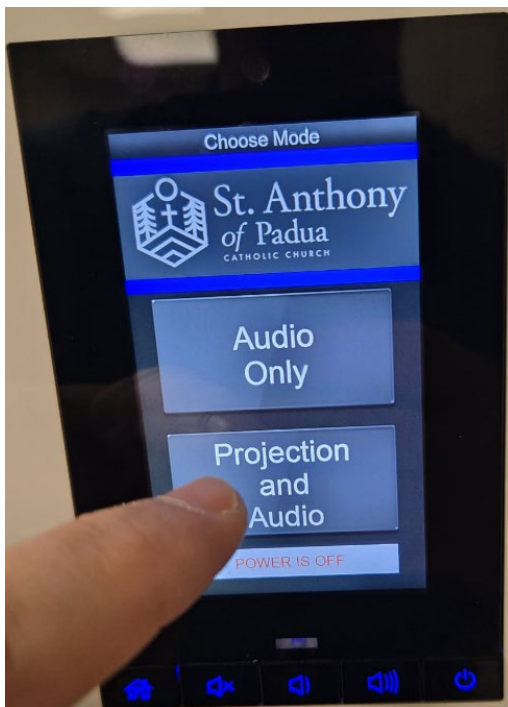

5. Your device should appear on the screen, but if you're on a Windows computer, you may need to press " + P" on your keyboard, then select Duplicate under the presentation options.

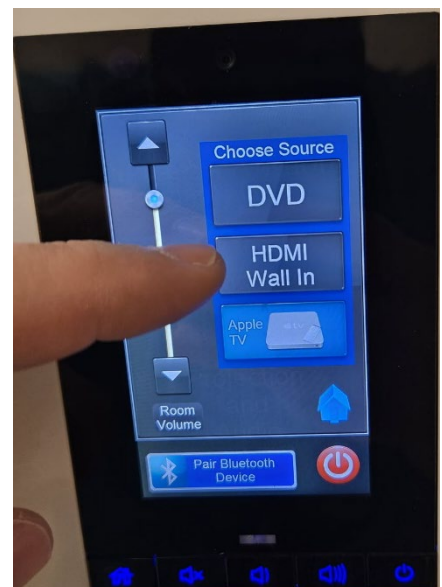

Connecting a Laptop

Paduan Center (AMR)

1. At the back-right of the room, press "Projection and Audio" on the touch screen. Wait a few minutes for it to turn on.

2. Press HDMI Wall In on the touch screen.

- 3. Connect the HDMI cable located in the podium into the HDMI port on the wall.**

- 4. Connect the other end of the HDMI cable into your computer****

***Your computer must have the ability to connect to an HDMI cable to provide picture and sound to the monitor in each classroom. Please check with your computer's manufacturer to see if your computer requires an adapter, and if so, which adapter will work best for your computer's specific model.*

- 5. Your device should appear on the screen, but if you're on a Windows computer, you may need to press "  + P" on your keyboard, then select Duplicate under the presentation options.**
